

# Ain't No Hole in the Washtub

from Emmett Otter's Jug Band Christmas

D                   Head full of good thoughts, belly full of grub  
D, G, G            Money in your pocket when there ain't no hole in the washtub

D                   Your nails won't break and your toes won't stub  
D, G, G            You never get a fever when there ain't no hole in the washtub

C, C                If you look to the good side, falling down's a free ride  
G, Em             Slippin' and a-sliding in the mud  
C, C                If your back is hurtin', I can say for certain  
D, D, D            I'll be there to treat you to a soothing back rub  
D-, G, G, G, G    When there ain't no hole in the washtub

D                   Lunch with the uppercrust, dinner at the club  
D, G, G            High on the hog when there ain't no hole in the washtub

D                   Watermelon gardens, berries on a shrub  
D, G, G            Cookies in the kitchen when there ain't no hole in the washtub

C, C                - *Hey Emmett, look what I caught!*  
G, G                - *Good catch, Wendell!*  
C, C                - *Yeah, they're really biting today!*

D, D, D            I'll be there to treat you to a soothing back rub  
D-, G, G            When there ain't no hole in the washtub

G, G                - *There go two of the nicest folk on the river*

C, C                If you look to the good side, falling down's a free ride  
G, Em             Slipping and a-sliding in the mud  
C, C                So it twists and contorts you, the barrel supports you  
D, D, D            You can feed and clothe yourself with a rub-a-dub-dub  
D-, G, G            When there ain't no hole in the washtub

G, G                Ain't no hole in the washtub  
G, G                Ain't no hole in the washtub
