

# Banana In Your Fruit Basket

Bo Carter (1931)

I got a brand new skillet, I got a brand new lead  
All I need is a little woman just to burn my bread

I'm telling you baby, I sure ain't gonna deny  
Let me put my banana in your fruit basket, then I'll be  
satisfied

Now, I got the washboard, my baby got the tub  
We gonna put 'em together, gonna rub, rub, rub

I'm telling you baby, I sure ain't gonna deny  
Let me put my banana in your fruit basket, then I'll be  
satisfied

Mmm-mmm, gonna let my banana spoil now  
Mmm-mmm, let my banana spoil, now  
I can see the way you carrying on, you don't want my banana  
no how

Now I got the dasher, my baby got the churn  
We gonna churn, churn, churn until the butter come

I'm telling you baby, I sure ain't gonna deny  
Let me put my banana in your fruit basket, then I'll be  
satisfied

Now my baby's got the cloth, and I got the needle  
We gonna stitch, stitch, stitch, 'til we both will feel it

I'm telling you baby, I sure ain't gonna deny  
Let me put my banana in your fruit basket, then I'll be  
satisfied

Mmm-mmm, gonna let my banana ruin now  
Mmm-mmm, let my banana ruin, now  
I can see the way you carrying on, you don't want my banana  
no how

Now my baby's got the meat, and I got the knife  
I'm gonna do her cutting, this bound to solve my life

I'm telling you baby, I sure ain't gonna deny  
Let me put my banana in your fruit basket, then I'll be satisfied
