## Fiddle solo

Come on baby move over, I'm sitting here tonight  
Come on baby move over, do the thing that's right  
I can puff up my feathers, look real mean,

be the old man of this here scene

I'm a struttin' preenin' bantam rooster looking for a fight, I mean  
I'm looking for a fight

Hold on there partner, my hat just ain't on right  
Just a minute there gov'nor, while I set it right  
It's a half turn left, a half turn right,

this old thing used to be bright white

I'm a struttin' preenin' bantam rooster looking for a fight, I mean  
Looking for a fight

I went on down to sports bar town to put mother hen in a fright  
Took the 450 Addison to see Pulaski at night  
And it's one for the money, two for the jack,

three for the joe you've got to pay back

I'm a struttin' preenin' bantam rooster looking for a fight, I mean  
I'm looking for a fight

## Fiddle solo

I'm a struttin' preenin' bantam rooster looking for a fight  
I'm a struttin' preenin' bantam rooster, I think that might makes right  
I can puff up my feathers, look real mean,
