

# Coney Island Washboard Roundelay

Durand, Adams, Nestor, Shugart (1926),  
via the Juggernaut Jug Band (2003)

Coney Island Washboard she would play  
She'd play it on the boardwalk every day  
Little soapsuds on the ground, bubbles all around  
Rub-a-dub-a-dub in her little tub, any tune she found

Thimbles on her fingers made the noise  
She played Charleston on the laundry for the boys  
She could rag a tune right through the knees of a brand new suit of BVD's
