

Diddie Wa Diddie

Blind Blake (1929)

There's a great big mystery

And it sure is worrying me

 This diddie wa diddie

 Mister diddie wa diddie

I wish somebody would tell me what diddie wa diddie means

The little girl about five feet four

Come on papa and give me some more

 Of your diddie wa diddie

 Your diddie wa diddie

I wish somebody would tell me what diddie wa diddie means

I went out and walked around

Somebody yelled, said, "Look who's in town"

 Mister diddie wa diddie

 Mister diddie wa diddie

I wish somebody would tell me what diddie wa diddie means

Solo

Went to church, put my hand on the seat

Lady sat on it said, "Daddy, you sure is sweet"

 Mister diddie wa diddie

 Mister diddie wa diddie

I wish somebody would tell me what diddie wa diddie means

Solo

I said, "Sister, I'll soon be gone,

Just gimme that thing you sitting on"

 My diddie wa diddie

 My diddie wa diddie

I wish somebody would tell me what diddie wa diddie means

Solo

Then I got put out of church

Cause I talk about diddie wa diddie too much

 Mister diddie wa diddie

 Mister diddie wa diddie

I wish somebody would tell me what diddie wa diddie means
