Flying Crow leaves Port Arthur, come to Shreveport to change her crew
Flying Crow leaves Port Arthur, come to Shreveport to change her crew
She'll take water at Texarkana, yes boys, then keep on through

That Flying Crow whistle sounds so lonesome and sad
That Flying Crow whistle sounds so lonesome and sad
Lord, it broke my heart and took the last woman I had

Two days I cried, three days I walked the streets
Two days I cried, three days I walked the streets
I couldn't find nobody to give my poor heart relief

Guitar solo

Now she's gone, she's gone, with a red and green light behind
Now she's gone, she's gone, with a red and green light behind
The red is for trouble and the green is for my rambling mind
