

Gin Guzzlin' Frenzy

Mojo Nixon (1987)

I'm in a gin guzzlin' (*frenzy!*) x4
Man oh man, what can it be
I'm in a gin guzzlin' (*frenzy!*)

Out of a glass or out of a cup, give me that stuff I'll drink it up
Bombay, Tanquery, Gordon's or generic, bathtub gin made by Eric
When I want to get supersonic, somebody get me a gin and tonic

Chorus

Record player, it's a blasting, man we got a party happening
Sweating, screaming, howling, drooling, dancing, man, and hootchie-cooing
Cops show up, join right in, and say, "Hey there, boy, where's the gin"

Chorus

Sax solo

I don't want no fool wine cooler, I'd rather drink water from the sewer
Man, let me tell you what you gots to do, better get some gin inside of you

Hold my liver it's starting to ache, my eyes are red and my head's gonna break
Rolling around on somebody's floor, looking for that front door
You won't hear me cry, won't hear me moan, gonna mosey down the street and go back home
Rest up for an hour or two, then you know what I'm gonna do

Gonna get me some gin (yeah?) and I'm gonna get in (yeah?)

Chorus

I'm in a frenzy (*gin guzzlin'*) x4
Man oh man, what you see
I'm in a frenzy (*gin guzzlin'*)

Gin, gin, gin (*frenzy!*) x4
Man oh man, what can it be
I'm in a gin guzzlin' (*frenzy!*)
