

# Got a Letter from My Darling

Memphis Jug Band (1930)

## Harmonica and kazoo jam

Got a letter from my darling, says hurry home  
I got a letter from my darling, says how long you been gone?  
She's little and neat (oh no), and so sweet (oh yeah?),  
    great big legs and *toes on her feet*  
Got a letter from my darling, says hurry home, I say  
Says hurry home

I got a letter from my darling, says hurry home  
I got a letter from my darling, says how long you been gone?  
She's got great big eyes (no), rosy cheeks (yeah?),  
    now boy you know she must be a peach  
I got a letter from my darling, says hurry home, I say  
Says hurry home

## Harmonica and kazoo jam with talking x2

I'm coming home mama, if I have to catch the cannonball  
I'm coming home mama, if I have to ride the rod  
You know you're as sweet as a candy doll (oh no!),  
    you know you didn't have another man in my stall (in my stall)  
I got a letter from my darling, says hurry home, I say  
Says hurry home

## Harmonica and kazoo jam with talking

Got a letter from my darling, says hurry home  
Got a letter from my darling, she didn't have a single dime  
I'm *going* in the morning, ain't gonna lose no time,  
    *oh anywhere you walk I'm right behind now*  
Got a letter from my darling, says hurry home (**slow**) I say  
She says hurry home
