

Got a Letter from My Darling

Memphis Jug Band (1930)

Harmonica and kazoo jam

Got a letter from my darling, says hurry home
I got a letter from my darling, says how long you been gone?
She's little and neat (oh no), and so sweet (oh yeah?),
 great big legs and *toes on her* feet
Got a letter from my darling, says hurry home, I say
Says hurry home

I got a letter from my darling, says hurry home
I got a letter from my darling, says how long you been gone?
She's got great big eyes (no), rosy cheeks (yeah?),
 now boy you know she must be a peach
I got a letter from my darling, says hurry home, I say
Says hurry home

Harmonica and kazoo jam with talking x2

I'm coming home mama, if I have to catch the cannonball
I'm coming home mama, if I have to ride the rod
You know you're as sweet as a candy doll (oh no!),
 you know you didn't have another man in my stall (in my stall)
I got a letter from my darling, says hurry home, I say
Says hurry home

Harmonica and kazoo jam with talking

Got a letter from my darling, says hurry home
Got a letter from my darling, she didn't have a single dime
I'm *going* in the morning, ain't gonna lose no time,
 oh anywhere you walk I'm right behind now
Got a letter from my darling, says hurry home (**slow**) I say
She says hurry home
