I was out this morning, feeling blue
I said to a good looking girl, can I make love with you

Hey, hey babe, I've got blood in my eyes for you
Hey, hey babe, I've got blood in my eyes for you
I've got blood in my eyes for you babe
I don't care what in the world you do

I went back home put on my tie
Gonna get that girl that money will buy

Chorus

She looked at me, begin to smile
Hey, hey man can't you wait a little while

Chorus (with "No, no babe…")

Solo

No, no ma'am, I can't wait
You got my money, now you're trying to break this date

Chorus

I'm gonna tell you something, gonna tell you the facts
If you don't want me, give my money back

Chorus

There ain't no need of getting rocks in your jaws
You ain't gonna get none of my Santa Claus

Chorus
