

Insane Crazy Blues

Memphis Jug Band (1934)

I just now changed my notion to dive right in the ocean
Ain't any use thinking on an insane crazy plan
Everybody calls it love, me and my little turtledove
Ain't any use thinking on an insane crazy plan
Why would I go insane standing out in the rain?
Thinking 'bout my baby, it don't mean a thing
Everybody knows it well, me and my little mademoiselle
Ain't any use thinking on an insane crazy plan

Scat solo (entire chord progression)

Everybody knows it's love, me and my little turtledove
Ain't any use thinking on an insane crazy plan
Everybody knows this notion about that deep blue ocean
Ain't any use thinking on an insane crazy plan
I'm going insane still standing out in the rain
Spent a thousand dollars, it don't mean a thing
Everybody knows it well, she's my little mademoiselle
Ain't any use thinking on an insane crazy plan

Scat solo (entire chord progression)

Everybody calls it love, me and my little turtledove
Ain't any use thinking on an insane crazy plan
Everybody knows it well, she's my mixed-up mademoiselle
Ain't any use thinking on an insane crazy plan
I'm going insane, standing out in the rain
Spent a thousand dollars, it don't mean a thing
Everybody knows it well, oh, me and miss mademoiselle
Ain't any use thinking on an insane crazy plan
