

K. C. Moan

Memphis Jug Band (1929)

I thought I heard that K. C. when she blowed
I thought I heard that K. C. when she blowed
I thought I heard that K. C. when she blowed
She blowed like my woman's on board

Kazoo solo with harmonica

When I get back on that K. C. road
When I get back on that K. C. road
When I get back on that K. C. road
Gonna love my baby like I never loved before

Kazoo solo with harmonica

Mmm, mmm, mmm
