

# Keep on Churnin' (Till the Butter Comes)

Wynonie Harris (195?)

Keep on churnin' till the butter comes  
Keep on churnin' till the butter comes  
Keep on pumpin' make the butter flow  
Wipe off the paddle and churn some more

Little boy blue, come blow your horn  
The cow's in the meadow, sheep's in the corn  
Tend the sheep, leave him be  
Bring the finest brown cow straight to me

**Chorus**

**Interlude**

**Chorus**

How now, brown cow, keep on eatin' your hay  
Go in your shed, be sure you're fed  
Go in your shed, be sure you're fed  
Daddy needs butter for his shortening bread

**Chorus**

**Interlude**

**Chorus**

Who now, moo cow, keep on swishing your tail  
Don't kick over the pail  
First comes the milk, then comes the cream  
Takes good butter to make your daddy scream

**Chorus**

I wanted some butter one day  
A fine brown cow came my way  
It kept on pumpin'  
Butter came jumpin'  
I'll milk you, cow, 'till my pail is full  
Look out, heifer ... here comes your bull
