I said hey, baby, I'll give you your last chance
I said hey, baby, I'll give you your last chance
I give you all these dresses, but you wanna wear my pants

I said hey, what's the matter now
I said hey hey, baby, what's the matter now
You just a trifling woman, don't mean me no good no how

Harmonica solo

I give you my money, baby, but that don't do no good
I give you my money, baby, but that don't do no good
I think I'll start you out to working, that's just what I should

I said hey, what's the matter now
I said hey hey, baby, what's the matter now
You just a trifling woman, don't mean me no good no how

I said hey, what am I gonna do
I said hey hey, mama, what am I gonna do
I've done everything, baby, can't get along with you
