

Me and My Chauffeur Blues

Memphis Minnie (1941)

Wants to see my chauffeur, wants to see my chauffeur
I wants him to drive me, I wants him to drive me downtown
Since he drives so easy, I can't turn him down

But I don't want him, but I don't want him
To be riding these girls, to be riding these girls around
So I'm gonna steal me a pistol, shoot my chauffeur down

Well I must buy him, well I must buy him
A brand new V8, a brand new V8 Ford
Then he won't need no passengers, I will be his load

Solo

Going to let my chauffeur, going to let my chauffeur
Drive me around the, drive me around the world
Then he can be my little boy, yes, I'll be his girl
