Well, give me peaches in the springtime, apples in the fall, if I can't
get the gal I love I don't want none at all

Give me peaches in the springtime, apples in the fall
Lord, if I can't get the gal I love, don't want none at all

Hey, the woman I'm loving, ain't no gal of mine, she's a married woman but she
comes to see me some time

Ah, the woman I'm loving, ain't no gal of mine
She's a married woman but she comes to see me some time

Well, there's apples on the table, peaches on the shelf, I'm getting' sick and tired
of sleeping by myself

Well, there's apples on the table, peaches on the shelf
And I'm getting sick and tired of sleeping by myself

I'm gonna build me a castle sixteen stories high, so I can see my good gal sometimes
passing by

I'm gonna build me a castle sixteen stories high
So I can see my good gal sometimes passing by
