Well, give me peaches in the springtime, apples in the fall, if I can't  
get the gal I love I don't want none at all

Give me peaches in the springtime, apples in the fall  
Lord, if I can't get the gal I love, don't want none at all

Hey, the woman I'm loving, ain't no gal of mine, she's a married woman but she  
comes to see me some time

Ah, the woman I'm loving, ain't no gal of mine  
She's a married woman but she comes to see me some time

Well, there's apples on the table, peaches on the shelf, I'm getting' sick and tired  
of sleeping by myself

Well, there's apples on the table, peaches on the shelf  
And I'm getting sick and tired of sleeping by myself

I'm gonna build me a castle sixteen stories high, so I can see my good gal sometimes  
passing by
