We take what we want, we do anything that we wish

D...

We know we're a mess but I does not like to be clean

We don't brush our teeth 'cause our toothache can help us stay mean

We don't wish to learn but we hate what we don't understand

Riverbottom...

C#-C x4

When you see us comin' you better startin' runnin'

We're always startin' trouble and we're happiest when things are outta hand

Bb-A x4

G#-Gm x4

Rivers are for boilin', parties are for spoilin'

We either like to sit and pout or else go out and terrorize our land
