

Sitting On Top of the World

Mississippi Sheiks (1930)

It was all the summer and all the fall
Just trying to find my little all and all
But now she's gone, I don't worry
I'm sitting on top of the world

It was in the spring, one summer day
Just when she left me she's gone to stay
But now she's gone, I don't worry
I'm sitting on top of the world

You may come here running, holding up your hands
I can get me a woman quick as you can get a man
But now she's gone, I don't worry
I'm sitting on top of the world

There have been days I didn't know your name
Why should I worry and pray in vain
But now she's gone, I don't worry
I'm sitting on top of the world

Going to the station down in the yard
I'll get me a freight train, work done got hard
But now she's gone, I don't worry
I'm sitting on top of the world

The lonesome days, they have gone by
Why should you beg me and say goodbye
But now she's gone, I don't worry
I'm sitting on top of the world
