Sweet Maggie, sweet Maggie, where you been so long?  
Tell me sweet Maggie, where you been so long?  
It haven't been no loving since you been gone

Sweet Maggie, sweet Maggie, where'd you stay last night?  
Sweet Maggie, sweet Maggie, where'd you stay last night?  
You come home this morning, sun was shining bright

I met sweet Maggie way across the sea  
I met sweet Maggie way across the sea  
She wouldn't write me no letters, she didn't care for me

Sweet Maggie, sweet Maggie, what you gonna do?  
Sweet Maggie, sweet Maggie, what you gonna do?  
Just a little bit of loving and let your heart be true

## Solo

Sweet Maggie, sweet Maggie, dear pal of mine  
Sweet Maggie, sweet Maggie, dear pal of mine  
Now, she left me walking, tears rolling and crying

If you see sweet Maggie tell her to hurry home  
If you see sweet Maggie tell her to hurry home  
It haven't been no loving since you been gone

Tell me, sweet Maggie, what's the matter now?  
Tell me, sweet Maggie, what's the matter now?  
You wouldn't write me no letters, you didn't love me no how

Goodbye sweet Maggie, now you fare you well  
Goodbye sweet Maggie, now you fare you well  
When I get back here, can't anyone tell
